\*\*\*\*\*  
NO TROUBLE TO REMOVE  
SUPERFLUOUS HAIR  
\*\*\*\*\*  
(Toilet Tips)  
It is an easy matter to rid the skin of objectionable hair or fuzz, if you proceed as follows: Mix a paste with some water and a little powdered delatone, apply to hairy surface and in 2 or 3 minutes rub off, wash the skin and the hairs are gone. This method of banishing hairy growths is painless and does not mar the skin, but to avoid disappointment, be certain to get real delatone.

**REAL ESTATE TRANSFERS**  
B. F. Lear et ux to Claude Cole, P. McCully et ux, No. 52-9-2W.

**"Corns All Gone! Let's All Kick!"**

Every Corn Vanishes by Using Wonderful Simple "Gets-It." Never Falls. Applied in 2 Seconds  
Isn't it wonderful what a difference just a little "Gets-It" makes on corns and calluses? It's always night

"What I Don't Care! I Got Rid of My Corns With 'Gets-It!'"  
somewhere in the world, with many folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plasters, bandages, tape and contraptions—and the "holer" in their corns goes on forever! Don't you do it. Use "Gets-It," it's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stocking, hurt or irritate the toe. Pain stops. Corn comes "clean off," quick. It's one of the gems of the world. Try it—you'll kick—from Joy. For corns, calluses, warts, bunions.  
"Gets-It" is sold everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.

**Relatives Inquire Into Death of John B. Coleman**  
Eugene, Or., April 4.—Relatives of John B. Coleman, aged 81, who died at Key West, Fla., March 28, started an investigation into his death today, following the receipt of word that he made a new will and signed several checks a few hours before his death.  
Coleman was wealthy. Before leaving Eugene he had made a will leaving his estate to his three nieces. Since he went to Florida word was received by his relatives here that Coleman was seen frequently in company with strange women.  
The provisions of the new will are not yet known. A lawyer from Key West is expected to arrive here this week with the document.

**TO HELP WOMEN**  
After terrible sufferings, numberless women have used Lydia E. Pinkham's Vegetable Compound and recovered from ailments peculiar to their sex. Many of these, who cannot bear that other women should suffer as they did without knowing what to do, have written letters telling their experience to be published to the world. These honest, helpful stories are constantly appearing in the newspapers. Read them, alling women, they are written with no motive but your good.

**High School Notes**  
At a meeting of the junior class Monday, Andrew Vincent was elected editor of the Junior Clarion and Miss Ruth Schultz assistant. The others on the staff will be chosen by the editor.  
The junior class also decided to challenge the seniors in a scholarship contest and the seniors will be given public notice of this challenge at the next assembly.  
The junior class is growing. Mr. Goldberg, from the Jefferson school of Portland, is the new member.

**INDEPENDENCE CANNERY**  
A number gathered at the Moose club rooms last Friday night and informally discussed the advisability of starting the Independence cannery and the methods to bring it about. H. G. Walker, superintendent of the Ceahalls, Wash., cannery, was present and offered advice and suggestions and as he has been in the business for fifteen years he ought to know something about it. Concerning a market for the finished product, Mr. Walker said that there was no trouble in this particular if the institution employed a canner of experience and ability. He advised that an effort be made to interest some one to take up the proposition privately. Following his suggestion, an effort will be made to attract the attention of private capital by an advertising campaign in the trade papers. Very liberal inducements can be given anyone who will establish a cannery in Independence and any experienced man can make a success of such a business here with profit to himself and community.—Monitor.

**Railroads Send Men On Educational Trips**  
The railroads of the country are now sending their best men on inspection trips to other parts of the land in order that they may have a general and broader view of railroad work and to also learn what others are doing.  
A number of Southern Pacific officials who are making the tour of the coast were in the city Saturday and taken about the city by John M. Scott, general passenger agent.

Among the prominent officials on this visiting tour, is L. H. Nutting, of New York, general passenger agent of the Southern Pacific Atlantic steamship lines. In speaking of this country, he expressed himself as highly delighted with the climate of the Willamette valley. He also expressed confidence in the general business conditions for the coming year. Besides Mr. Nutting, the party was made up of J. H. Parsons, of Houston, Texas, general passenger agent of the Sunset lines; Phil K. Gordon, of San Francisco, general agent of the Sunset route and the Atlantic steamship lines, and John M. Scott, general passenger agent of the Southern Pacific lines in Oregon.

**VICTORY FOR NATIONAL GUARD**  
Washington, April 3.—A great victory for the national guard was won in the senate today when Senator Cummings' amendment to the Chamberlain bill, adding five million men to the army general staff, was adopted. Chamberlain opposed the amendment.  
The adoption of this amendment was interpreted as forestalling a general defeat of the Chamberlain plan for a national defense consisting of a continental reserve army instead of the militia.  
Defenders of the national guard, when the adoption was voted, immediately began a spirited attack on the whole Chamberlain bill.  
Charging that both regular and military officers were too actively lobbying in behalf of their own brands of preparedness, Chamberlain threatened that he might complain to Secretary of War Baker.  
Poindexter, Lane and Jones voted for the Cummings amendment.

**MOTOR TRUCKS "ENLISTED"**  
Portland, Or., April 3.—Three motor trucks were "enlisted" in the Oregon national guard today following some fast artillery maneuvers yesterday.  
For the first time in Oregon's militia history the motor trucks were hitched to three inch field pieces, and Battery A, field artillery was rushed to Crown Point, an important strategic position on the Columbia river highway. From this position artillery can command the river for a distance of 30 miles in either direction.  
Nurse—"Wouldn't you like to go to heaven, Bobby, and wear a nice gold crown?"  
Bobby—"Not if the don't is going to put it on!"

**Wisconsin Professors Trying Diets On Rats**  
Madison, Wis., April 3.—Among a swarm of 1,900 rats which live in luxurious ease at the University of Wisconsin Agricultural chemistry laboratory are several broad shouldered rats. These are the fellows who are waiting for a mixture of two unknown compounds which, professors declared today, would probably be declared the best human food after present experiments are concluded. Various foods are being fed the rodents in an attempt to discover which is the most nutritious. On their daily diet some of the rats pine away and become lean and anemic. Others grow corpulent and assumed a prosperous manner.  
Scientists are watching the proceedings with keen interest.

**AUMSVILLE NEWS**  
W. F. Pason has been on the sick list the past week but is able to be about again.  
Mrs. T. W. Johnson has gone to Spangler Station for a few days visit with an old schoolmate.  
Misses Alice and Bessie Schronk came Friday evening. They returned to Salem Tuesday morning.  
C. M. Miller and family, Mrs. G. G. Holmes and Miss Margaret Du Bray motored to Salem Wednesday.  
Misses Eva and Edsie Pruner who are teaching at Mill City and Lyons, spent the week end with Maile and Nellie Albee. While here they called on the mayor. The young ladies live at Riddle, Oregon.  
The Marion Creamery Co. has purchased the Corvallis cream station at Aumsville and will run it from now on they are paying 3 1/2 cents above sour cream prices for sweet cream this will be an advantage to the dairymen of this vicinity.  
The last meeting of the debating society was held Friday evening at the school house with a good attendance. An interesting program was given after which came the debate on "Resolved, that the power to declare war should be vested in the people." A lively discussion ensued in which the affirmative came off victorious. The debaters were: H. M. Crane, Clement Crane and D. W. Lamb—affirmative. Lloyd A. Reed, H. C. Porter and Selmer Brown—negative.  
Dr. Doney, president of Willamette University, one of the best speakers in Oregon will speak to us at our next Parent-Teachers meeting on Friday night April 7. Dr. Doney is live, wide-awake and very interesting. It is an honor to this community to have him come here and the school house should be filled to hear him. We can seat about two hundred. A good school program will be given the same evening commencing at 8 p. m.—Record.

Guest—"See here waitress, you've kept me waiting here for half an hour looking like a fool!"  
Waitress—"Sorry, sir, I had to keep you waiting; but your responsible for the rest."—Judge.

## WISCONSIN CHOOSES ITS DELEGATES TODAY

**Bob LaFollette, Progressive, Against Governor Philipp, Stand Patter**

(By United Press.)  
Milwaukee, Wis., April 4.—Wisconsin politicians will find out today which way the political wind is blowing in the primary election at which delegates to the republican and democratic national conventions will be chosen.  
Chief interest is in the fight between the progressives and conservative republicans forces—the progressives, led by Senator Robert M. LaFollette, and the conservative by Gov. E. L. Philipp.  
Both factions have complete tickets for delegates in the field. If the progressives win, they will go to the national convention instructed to vote for LaFollette for president. If the conservative delegates are chosen, they will be instructed.  
The fight has been extremely bitter because this is the first trial of strength between the senior senator and the governor since the election of two years ago when Governor Philipp was victorious over the progressive candidate, the progressive ranks being split by having several candidates in the field.  
LaFollette spent considerable time touring the state making speeches, even after congress was in session. Besides the primary, most cities of the state are having municipal elections today. In Milwaukee the fight is again between the socialists and the non-partisans. A combination of the democratic and republican non-partisans have been successful in two elections, Daniel M. Hoan, socialist candidate, has been making a strong campaign and the vote probably will be close.

\*\*\*\*\*  
**WHY SPRING BRINGS OUT FRECKLES AND ERUPTIONS**  
\*\*\*\*\*

The sudden appearance of freckles, slight eruptions or fine lines at this season is attributed by scientists to the "aetinic ray," which is unusually active during the spring months. When the skin is so affected by this influence, if one will procure an ounce of common mercerized wax at any drug store, apply a little of it before retiring, like cold cream, she can easily overcome the trouble. When the wax is washed off next morning, flaky skin particles come with it. The entire outer cuticle is removed in this way in a week or two, with all its defects. No bleaching could so effectively remove freckles or blemishes. The new surface is smooth, clear, fresh looking. No pain or inconvenience accompanies this simple treatment.

In case of wrinkles which sink beneath the outer skin, a solution of salicylic acid, 1 oz., dissolved in 1 1/2 pint of hazel, makes a face bath which is wonderfully effective.

## Four Gateways to the Pacific Coast

A beautifully illustrated folder "Four Gateways to the Pacific Coast" has just been issued by the passenger department of the Southern Pacific. This folder gives a general description of the Southern Pacific routes to the Pacific Coast through Portland, Ogden, El Paso and New Orleans.  
A prominent feature of this folder is a two color map with illustrated insets which show at a glance the many scenic attractions of the western states, and fittingly bearing out the Southern Pacific's new slogan, "All the Pacific Coast is a Show Place."

Representation is given Oregon and Washington with eight pages of text and illustrations. Views of Seattle, Tacoma and Portland are shown, together with many of the scenes of interest, such as Mount Rainier, Tacoma, Mount Hood, Rogue River, Crater Lake and the Siskiyou.  
The new folder is printed in orange and black. Its whole arrangement and design should make a strong appeal to the tourist, and should result in beneficial results to the Pacific Northwest. The publication is to be given wide distribution throughout the East. Copies can be obtained by addressing John M. Scott, General Passenger Agent, Southern Pacific, Portland, Oregon.

## THE EASIEST WAY TO END DANDRUFF

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.  
By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.  
You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

## ILLUSTRATOR WANTS DIVORCE

Zanesville, Ohio, April 4.—Howard Chandler Christy, the illustrator, sued for divorce yesterday. He alleged his wife grossly neglected her duty. They were engaged in a court fight years ago over the custody of their only child, which is now fourteen years old.

## Charles F. Elgin Files For Representative From Marion County

Charles F. Elgin, city recorder, today filed the declaration of his candidacy for the republican nomination for the office of representative from Marion county. Mr. Elgin has been city recorder of Salem for the past five and one-half years and was deputy recorder for two years previous to his first election. His official record in Salem and Marion county is clear and the early indications point to a good vote on account of his wide acquaintance in Marion county where he has spent the greater part of his life.

His statement is: "Favor rigid economy, lower taxation and efficient service upon the part of office holders, and will oppose the bonding of the state or appropriating public money, excepting in cases of necessity, and will endeavor to promote the building of good roads, the development of the flax and other industries in the state consistent with economy."

Other candidates who filed today are: J. R. Nickelsen, Hood River, Republican, State Senator, 10th Senatorial district, comprising Hood River and Wasco counties.  
W. E. Gwynn, Newport, Republican, District Attorney for Lincoln county.

John C. Welch, Portland, Democrat, Delegate to National Democratic Convention, Third Congressional district, with the slogan, "For Wilson—the people's choice."  
A. E. Scott, Forest Grove, Republican, Representative in the Legislative Assembly, 15th Representative district, comprising Washington county.  
John F. Cahalin, Portland, Republican, Representative in the Legislative Assembly, 18th Representative district, comprising Multnomah county.

## THE WIVES GET MAD

Portland, Or., April 4.—Charles Cummings and Earl Brown are in the city jail today, the victims of their own indignant spouses. Mrs. Cummings and Mrs. Brown last night hailed two policemen and led them to the home of Miss Crystal Demond, an actress, where their husbands were arrested.
